Mil Memorias Nineteen Hundred Sixty-Nine

UNDER CLOUD-STUDDED SKIES, Miguel students and teachers are seen rushing to class at the sound of the 7:30 bell.

# A DAY IN THE LIFE - 1969

As the sun marks the beginning of a new day, a loud yawn echoes through the hall of Mount Miguel, a yawn signaling the first experience of an eventful day—arrival of twenty-five hundred students on campus. With these students come a variety of interests and talents which combine to make each day a challenge for the individual. Every day a new experience dawns on the horizon of learning. Each discovery and experience illuminates the days with increased understanding and skill.

The days of 1969 were filled with games, dances, homework, club meetings, the Sweetheart Ball, more homework; and, for some, the Senior Prom. Many Matadors represented both our school and County off

campus. On New Year's Day, seen leading the Tournament of Roses Parade in Pasadena was Miguel's Marching Band, winning the honor to represent San Diego during its 200th Anniversary Year. During Easter Vacation, Miguel's Girls' Ensemble represented the State of California at the annual conference of the Western Division of the National Music Educator Association.

Not only do Miguel's special groups represent Miguel to society, but each Matador who is graduated reveals to the world the ideals, aspirations, and accomplishments of Mount Miguel High School. For these reasons we proudly present a pictorial document, 'A Day in the Life'—Nineteen Hundred and Sixty Nine.

## To Achievements for Graduates of 1969

The Class of 1969 started the year with the usual jitters and headaches over college exams and applications. Seniors were somewhat relieved of their anxiety by their participation in the many activities planned for them.

Senior Week in March found many upperclassmen at Denny's and the Three Little Bears for a Senior Breakfast. The week included the Senior Picnic and Administration Day. The year culminated with "Sunrise, Sunset," this year's Prom, held in May at the Atlantis Restaurant.

QUEEN CANDY ESTES

"Mt. Miguel's Twelfth Annual Homecoming Queen is . . . Miss Candy Estes." These were the words that climaxed a week highlighted by such class-competitive activities as "Needle-in-a-Haystack" and "Cow Rodeo" contests. This year's theme, "Frontier Days", was illustrated by a Costume Day in which school spirited Matadors dressed up in frontier style clothes. Later after the crowning, Queen Candy and her attendants held court during the Homecoming Dance held in their honor

# Able Leaders Guide For Rewarding Year

VELA GWIN  
Junior Counselor

The feeling had arrived the first day of school as the Juniors started an eventful year by wearing the big J's to show their spirit. The class of '70 contributed much excitement to Homecoming this year as they were active participants in every event, including the chariot race, contests during lunch, and a wild float entry. Class spirit was soaring in December as representatives sold mistletoe for a money-making project. In February, a dance featuring the Light Brigade with the Crimson Sun Light Show was sponsored by the Junior class.

That special feeling kept growing throughout the year to help juniors experience that special sensation of knowing they had achieved status as upperclassmen.

## Worthy Juniors Receive

ENGLISH—Maureen O'Brien, Pam Bashline

This year's Academic Hall of Fame includes dedicated hard workers. To be considered as a Junior Standout the student must not only excel in his academic work, but must also show all-around interest in every aspect of the field that they are representing. These students deserve recognition and honor for their dedication and work far beyond the call of duty.

Faculty along with fellow classmates regard these students with high esteem as they serve as excellent examples and set high standards.

The Class of 1971 exhibited great class strength throughout this, their sophomore year. During the State Scholastic Achievement Tests administered in October, sophomore students displayed their academic ability by their high grades.

Spirit Weeks, the weeks of games against El Cajon and Helix, found sophomores joining in activities such as body painting, balloon shaving, egg tossing, mummy wrapping, and competitive drinking.

Far-sighted members of the Class planned activities to raise money to go toward their senior year. One of these activities was a bake sale in November. Another was the Sophomore Dance in January which featured the Mystic Chapter Five.

At the Girls' League Sweetheart Ball in February, Judy Tucker and Greg Robinson were named sophomore attendants to King Dennis Spry and Queen Sheryl Simpkins. All in all, sophomore involvement in school action proved intense.

This year the Freshman Class was the largest in the history of Mount Miguel. Starting with Frosh Orientation Day, the Friday before school started, the Class started its way to success.

Many activities provided the frosh with a chance to show their colors. Frosh sports showed the teams to be unequalled; they came out first or second in most events. The Girls' Swim Team placed first in the District and second in the County.

Frosh elections ran smoothly this year under the direction of Commissioner of Elections Joe Herrera. Members of the class voted for the persons they felt were best qualified to lead the Class of 1972.

Joining other enthusiastic Matadors at the Girls' League Sweetheart Ball in February were a large number of frosh. Lesley Carlson and Ted Updike were chosen Freshman Attendants to the King and Queen.

## Administrators Sustain Capable Leader

DR. AUSTIN R. SELLERY  
District Superintendent

This year proved a progressive time for Miguel's history. This six million dollar bond is to be used in improving the Grossmont District's facilities. The bond election, in November, authorized a five year tax ceiling of \$2.98. Conditions making this proposal necessary are the District's growth, inflation, the youth's needs for a more comprehensive and effective educational program, and the curtailment of state and federal funds.

At Miguel, twelve new classrooms and a new wrestling activity room for the boys were constructed. During the summer the library was enlarged. In addition, two programs were started—English-Second Language, taught by Ann Alderson, and the Reserve Officers' Training Corps, supervised by Colonel Don Grey.

Along with this progress, the District Governing Board selected a new GUHSD superintendent, Dr. Austin R. Sellery. He was superintendent of Palm Springs Unified School District before coming to the Grossmont District.

## Counselors Befriend, Assist Matadors

With over 2,500 students to program and assist, Miguel's counselors were kept quite busy this year. The Lorge-Thorndike/Test of Academic Progress was given by Venalee Fields to the sophomores in the fall. Along with this testing, the juniors were given the National Merit Test and the Preliminary Scholastic Aptitude Test by Vela Gwin. The seniors were given the Scholastic Aptitude Test of the American College Test in the spring, by their counselor, Robert Cother, in cooperation with the colleges and universities in the San Diego vicinity. Greeting the 750 new freshmen this year was their new counselor, Charles Mosse.

Increasing emphasis is being placed on vocational counseling. Authorities stress the importance of career planning for those students going directly from high school into a vocational field. Moreover, an increasing number of high school students are working part time. Efforts continue in encouraging all students to reach for high goals in all walks of educational pursuit.

ADVISING STUDENTS to the type of part time work best suited to their abilities is Vocational Counselor David Phillips. He also sets up job seminars to help seniors become better acquainted with career world

# Fine Arts Encourage Self-Expression

The Fine Arts Department of Mt. Miguel has proved to be one of the finest in San Diego County. In the Music division, Miguel's 102 piece marching band led the Tournament of Roses Parade in Pasadena on January first. As further proof of Miguel's excellence in music, the Girls' Ensemble, consisting of 14 voices, was chosen to go to Hawaii during Easter vacation. They sang at the 1969 Music Educators' National Convention on March 30 at the Ilikai Hotel in Honolulu, Hawaii.

Concert Choir, Boys' and Girls' Glee, Concert Band, Stage Band, and Concert Orchestra continue to form the foundation of Miguel's music education program. Art classes annually participate in the Hallmark Art Contest usually with good results. Providing a training ground with great opportunities for self-expression are crafts, photography, design, and general art.

SMOOTHING CRACKS in an abstraction is Tim Leone. This is one of the major projects for students in Roger Moreau's crafts classes.

## Communication - Key To Future Success

Advancing communication skills in English classes takes many forms. Freshmen, for example, conducted interviews with leaders of the community. Discussing the causes and effects of violence was done in the junior English classes.

Composition, grammar, and vocabulary receive perennial attention in all English classes. Teachers also constantly encourage students to use the newly expanded library.

John Adams, Miguel's new drama teacher directed this year's plays as ranging from **Bury the Dead to Good-Bye My Fancy**. Drama, speech, compositions, and reading help sharpen communication for future prosperity and success.

This year the Business Department became the proud owner of eight new electric typewriters, a new duplication machine, and a Therma-Fax copying machine which helped this department offer Matadors a varied curriculum. These courses prepare students to enter the business world directly upon graduation and meet its ever-increasing demands.

Even with staggered sessions this year, most of the business courses were filled to capacity all seven periods of the day.

Mount Miguel's Mathematics Department this year continued its quest for excellence. The Department offers four different programs, each one designed to fulfill the needs of the individual student: remedial, applied arts, college preparatory, and honors.

Each year, seniors in advanced math courses are encouraged to enter a math contest held at San Diego State College. This contest, occurring in March, enables the mathematically inclined student to demonstrate his skill and gain recognition.

# Emphasis Given to Applied Arts Science

This year's science program gave additional emphasis on applied art of science courses—mainly in biology. With this in mind the biology rooms were better equipped to handle more students.

Again, for the second year, the Science Department was able to buy fetal pigs for the Biology classes. Through dissection of these fetal pigs, students are able to learn better the human body functions and the anatomy.

Other courses offered in the Science Department include Health, Chemistry, Physics, and Drivers Education. Many science classes have become more lab oriented than in past years. Classes are considerably smaller than in previous years.

The Social Studies Department is in the midst of change. During the spring semester, six of the social studies classes moved into the newly built classrooms. Several of these classrooms have movable dividers so the combined classes may watch films, hear lectures, or even study together. The conference rooms are also connected to form a large research center primarily for social studies students.

Preparation for major curriculum changes, both local and statewide, are being undertaken. The California Social Studies Convention, held in San Diego in March, outlined new direction for updating Social Studies curriculum

Under the direction of Sally Kraska, Miguel's Gymnastic team attracts a large number of girls. Another successful group was the Girl's Swim Team. They earned first place in the District and 2nd in the county.

The big change in the Boys' Physical Education Department this year was similar to that in the rest of the school construction. The fall season found a new practice football field to be used by the boys. By the middle of the year, the old wrestling room was transformed into a locker room upon the completion of the wrestling building. The multi-purpose courts were completely refinished from a new foundation to red and green surfacing.

One large improvement that has helped with the location and control of students was the assigning of each class, according to grade, to one instructor for enrollment and class change.

## Library Undergoes Extensive Enlargement

Mount Miguel's library underwent considerable expansion and improvement during the summer of 1968. Students returning to classes in September found more spacious facilities in which to study. The improvements included room for student to use the microfilm machine. Two thousand books were moved out of the back room and 1400 new books were added since fall. The personnel remained the same although the changes augmented their previous duties.

# To Large Enrollment

With enrollement this year up to 2,500, many changes had to come about. The number of administrators, teachers, teachers' aides, and cadet teachers, increased. Construction of twelve new classrooms was completed for the spring semester. During the summer the library was expanded. The P.E. department received a new all-purpose building while the tennis and multi-purpose courts were resurfaced. Football season started off with new grass on the playing field and a new practice field. Miguel had a year of intense growth and expansion

# Gain Importance

Within the Grossmont Union High School District there are sixteen District-wide vocational courses. The courses range from agriculture to metals. Each is held at selected high schools. Miguel has four such vocational courses: Auto Mechanics, Distributive Education, Office-Work Experience, and Radio/Television Repair.

Each one of these courses are designed for vocational training for students who will enter employment upon graduation and offers career preparation for students who plan to complete their education in a post high school institution.

Construction of new classrooms enabled Auto Body Painting to begin this year during Santana's spring semester. Other courses established this past year were Plastics at Santana High School and Service Station Attendant at El Cajon Valley High School.

# Slow Start Ends With Great Finish

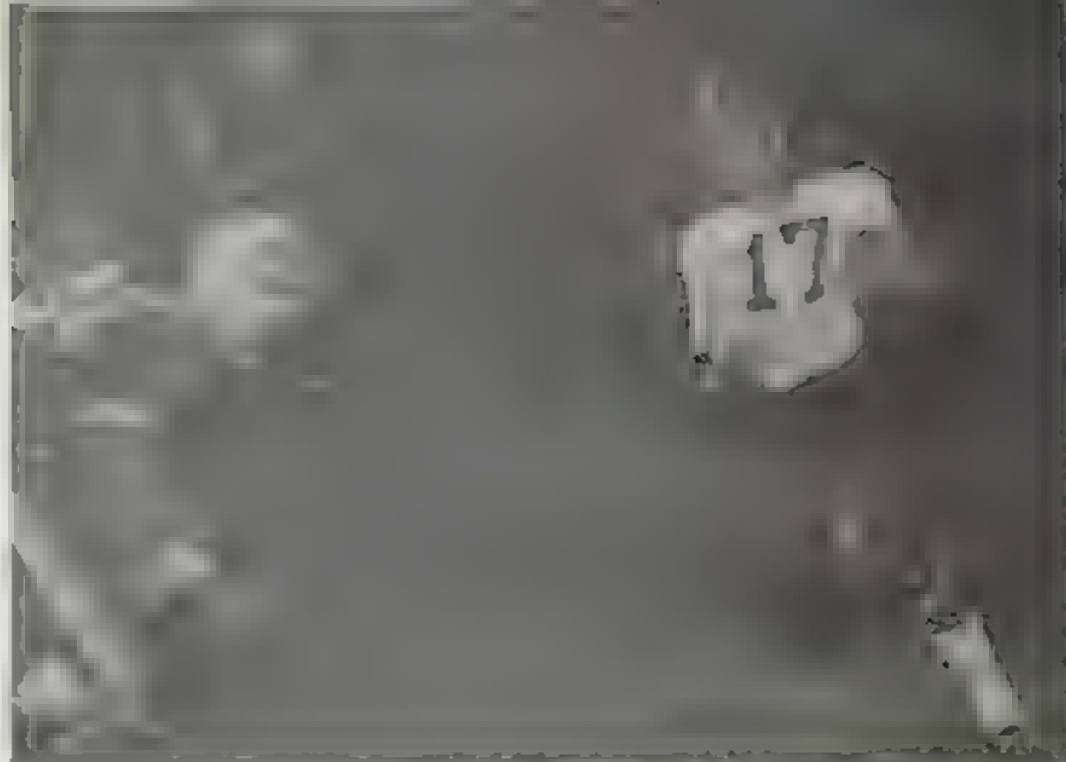

The Matador gridders started the season with a thud and ended with a bang. Debuting in Aztec Bowl in the annual Football Carnival, the Miguelites fought to a 0-0 tie with Granite Hills in the third quarter. A week later at Aztec Bowl, the Matadors lost to Kearny in a game where the offense couldn't get off the ground.

In the first three games of league play, the Matadors were defeated. Steve Bailey scored the first offensive points of the year in the hard-fought battle with the Helix Highlanders.

Then the Matador offense jelled with the Miguelites winning big in their last four games of the season, including a 41-7 romp of Santana in the Homecoming event.

The greatest team effort by the Matadors was their 19-15 upset of this year's league champs, El Capitan, making the Matadors the only team to beat the Vaqueros in league play.

FULLBACK RICK CHURCH breaks into the clear and fights his way through hopeful El Cajon tacklers as the Matador offense finally jelled.

OUT OF THE FOG comes quarterback Mike Tyler as he attempts to evade prospective El Cajon tacklers as Miguel won its first game of the season 38-0.

# New Plays, Coaches Boost Squad's Morale

This was a year of many new developments for the Varsity Football Team. One of the most significant improvements of the year was in the condition of the football field. Previously rated as one of the poorest in San Diego County, Miguel's field is now considered one of the finest.

Sport fans this season witnessed the innovation of some new, if not unorthodox, plays. The plays, including one nicknamed the "dirty dogs," helped to move the offense in clutch situations.

Two new coaches aided the team in their final victories. Along with coaches Ben Cipranic and Bill Leep were Robert Cother and Brian Smith. Cother specialized in offensive attacks while Smith worked with the backs and receivers.

Other changes included new uniforms and helmets. The helmets were similar to those worn by the Cincinnati Bengals. These new uniforms, along with other changes, pushed the squad through a great season.

## J.V. Squad Grinds Out Rigorous Season

AS PRESSURE BUILDS, the tradition of strong Matador defensive unit sets in preparedness for the Vaqueros next play in a hard-fought defensive battle for most of the game

The Jay Vees were truly a co-varsity team this year. Practicing with the varsity team created a strong spirit of competition between the squads. The team was supervised by the varsity coaches. This advanced instruction offered the Junior Varsity players an opportunity to prepare themselves for their future varsity positions.

Fielding the smallest team in the league, Mount Miguel ended the season with a 0-7-1 record. The greatest effort by the team was against the Matador's arch-rival, Helix High School, in a hard-fought battle that ended in a 6-6 deadlock. The Highlanders on to win first place in the league with no team coming close to defeating them. In all, the gridders ground out eight touchdowns for the year.

Outstanding players on the team this year were sophomore back Larry Tyer and junior tackle Robert Elms. Tyer received the honor of being Best Back of the Year. Elms was awarded the title of Best Lineman of the Year.

# Harriers Capture 2nd; Welcome New Coach

SENIOR MIKE DREW gives it that final effort which enabled him to win this race seemingly easy over his Highlander opponents as Miguel won a close one 27-28

The Mount Miguel Cross Country Team this year was deemed the greatest in Miguel's history. This was a fine welcoming for Ted Banks, the team's new coach in his first year at Miguel

The team started the season by massacring Hilltop for the first time in Miguel's history, 19-42. They continued this fine effort throughout the season to capture second place in the traditionally strong Grossmont League with a 5-2 record. The two defeats were at the hands of El Capitan and league champion Monte Vista.

The Harriers also placed second in both the Aztec Invitational and the Mt. San Antonio Cross Country meets. In closing the season, Miguel's runners earned sixth in the CIF finals

Outstanding individual effort was exhibited by several of the team members. Senior Mike Drew led the team and established a new home course record of 9:01 for the two-mile course, breaking Brad Hill's record of 9:14.2 set last year. Sam Paterson was second and also contributed as outstanding time of 9:01.5 in the meet as he finished on Mike's heels. Freshman Bob Morrison, a boy for the future, came across with a time of 9:03 and set a new frosh course record of 7:17.8

**COACH RICHARD RIDGWAY** gives advice during a time out in a game against El Capitan held on the Miguel court

Coach Richard Ridgway's Varsity Basketball team didn't win another CIF title this season, but they **did** earn a respectable 16-9 record overall and third place in the Grossmont League with a 9-5 record

The team extended their winning streak to 35 by winning their first five pre-season contests, but then the inevitable happened as St. Augustine dropped the Mats 80-65. Revenge came later in the University tournament when the Mats destroyed St. Augustine 58-30.

Miguel entered league play as "the team to beat" because of their domination of the game for the past three years. They defeated their first five opponents but lost to both Grossmont and Helix. They then won two more in a row and then were upset by El Cajon. The team bounced back and, without the help of 6'9" center Ken Barstow, defeated Santana 50-49 with a great team effort.

Taking a third place in League enabled the boys to capture an at-large berth in CIF and a possible shot at defending their crown. This was the third year in a row the team has earned the right to participate in CIF finals. But their hopes were shattered as the team dropped their first game to Castle Park 56-40.

Ken Barstow received a first place on the Grossmont All-League Team. John Woodward and Charles Gregg received honorable mentions. Mike Drew, Craig Sandling, Tom Young and Pet Rodvold added extensive support.

# JV Roundballers Start Slow But End Fast

THE TASTE OF VICTORY brings smiles to Coach Robert Cother and several members of the team as they defeated El Capitan

Inspired by Coach Robert Cother, this year's Junior Varsity Basketball team ended in a whirlwind after a comparably slow start. The team won one of their first 7 games but won 5 out of the second set of seven. This vast improvement provided the team with a 6-8 record and fourth place in league competition.

The highlight of the season was their final game which was against Helix. The team had already lost to the Highlanders twice before and were up to take this game away from them. The physical incapacities of the Matadors against the taller Scots were overcome by their determination until late in the fourth quarter.

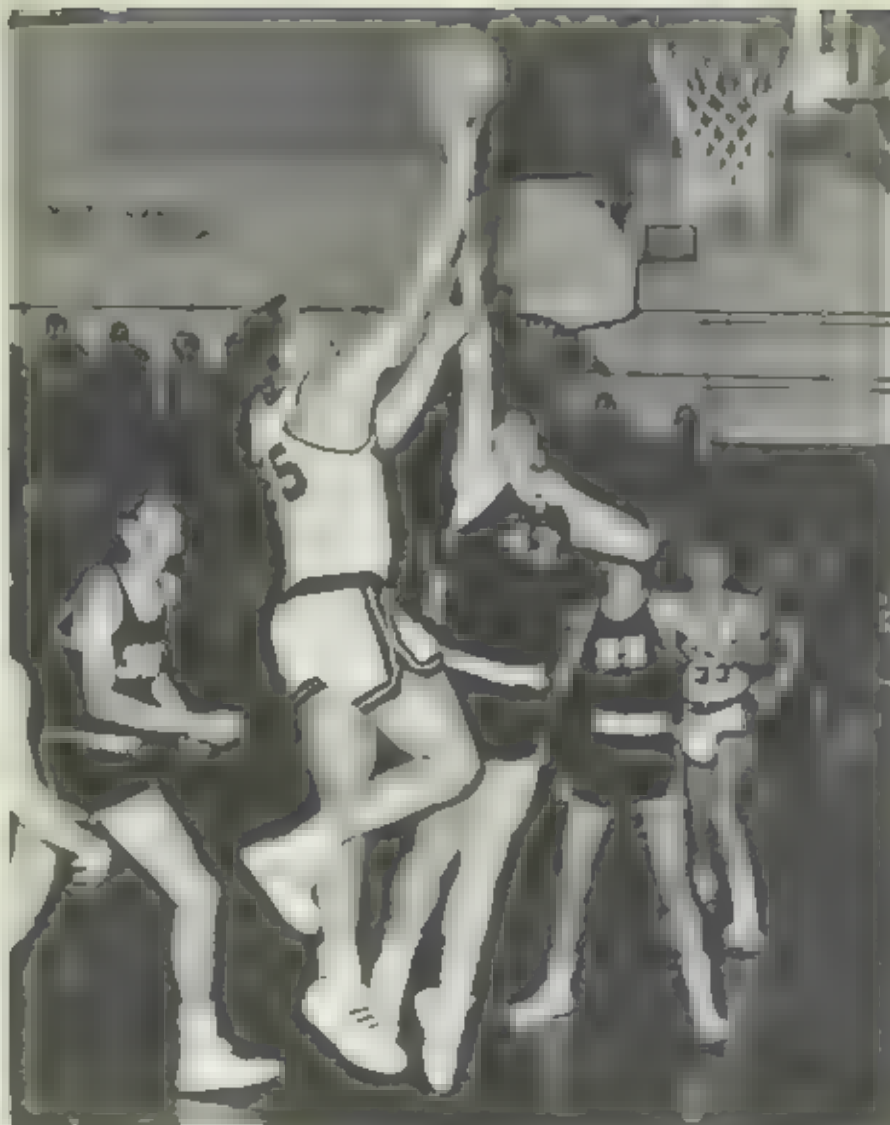

Individual honors of this sophomore dominated team were well deserved. John Slater, a sophomore, was the team's leading scorer and rebounder. Junior Mark Ricketts was second in both categories. Gary Russ, Terry Lewis, and Sonny Crim also contributed much to the team.

This year's Varsity Wrestling Team put on a fine show by taking second place in the Grossmont League, losing only one league

match. The team as a whole took a second in the Southwestern Invitational Tourney, a second in the Grossmont College Invitational Tournament, and a second in the Marina Invitational Tournament at Huntington Beach

Fine performances were turned in by the following boys: Dale Siscon, Bill Kramer, Ron Kraft, Freddy Taylor, Bill Winchester, Dennis Romero. Bill Kramer proved the most improved wrestler of the year.

He was the only CIF champ on this year's squad. Dave was named outstanding wrestler

of the year, with a 12 win-1 loss record

The high scoring junior was Freddy Taylor,

who in dual meets placed second next to

Dale as high point man. Ron Kraft, a senior

## Hardworking Team Takes Second In League

TAKING CARE OF his Santana opponent is Bill Winchester whose wrestling brought him a second in CIF competition

The most outstanding example of Miguel's fine wrestling showed up against Granite Hills when Miguel matmen took the match by a score of 51-3

Freddy Taylor won his match with a pin after only 50 seconds. Robby Brown along with seven other Miguel wrestlers also won their matches by a score of 5-0. Bill Winchester won by a forfeit while Dennis Romero won after his opponent was disqualified

The closest match fought by the Miguel grapplers was in non-league competition against Yuma. The meet was held at Brawley on December 11. The team put up a good fight, but despite all efforts lost by a score of 26 to Yuma's 27 points.

DRIVING FOR A REVERSAL and two points against his Monte Vista opponent is Richard Lackey a junior Miguel matman

TYING UP with Tom Cote from Monte Vista in the 132 lb. division is Mike Mendez a fine JV wrestler. Mike took the match by a score of 7-3

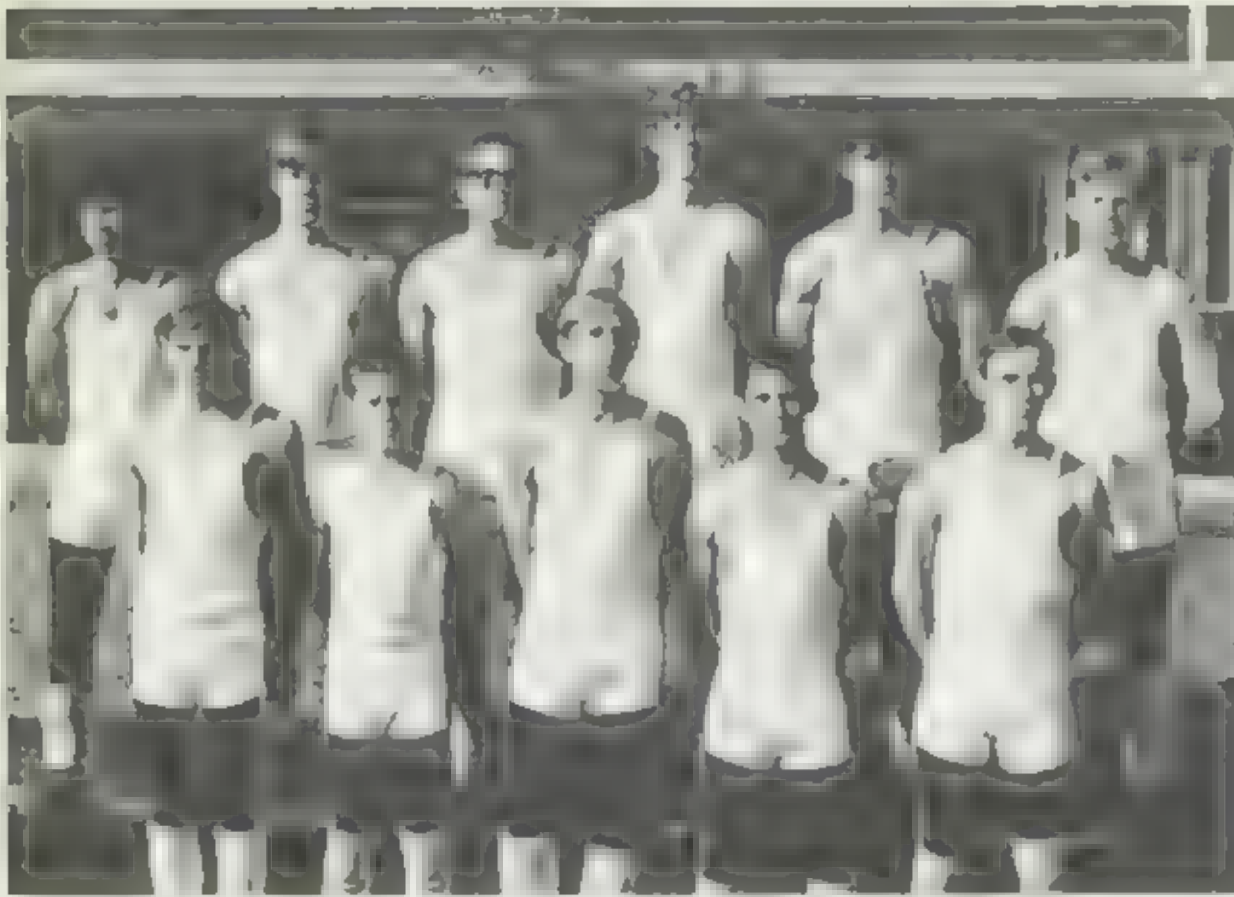

CAUGHT IN SINGLE LEG HOLD put on by his Monte Vista opponent is Kevin Pullan, a sophomore matman wrestling in the 138 lb. class

The Junior Varsity grapplers came out to all of their matches with the hope of winning. And, with the help of Head Coach Ned Blass, the team won seven out of their nine meets.

The team fought in three tournaments this year. In the Grossmont Invitational Tournament, they received second place with Mike Mendez and Mark Schuff taking firsts. They also competed in the Brawley Tourney in which they took third place while Gino Cesano, John Preston, Dave LeBeau, and Mark Schuff took seconds. Receiving a third at Brawley was Rick Harden. The third tournament was the Monte Vista Tournament. The JV squad took third in it with Mike Mendez receiving a first, John Preston, Gino Cesano, and Kevin Pullan taking seconds.

"The top JV wrestler this year would have to be Gino Cesano," says Coach Ned Blass. Gino was the only Matador who was undefeated in league matches. Two other top wrestlers were Mick Allenson at 98 lbs. with an 8-1 dual meet record and Kevin Pullan with six wins, one loss, and two ties. Don Jackson, after coming in late in the season, went on to a 4-0 dual meet record, pinning three of his four opponents.

**VARSITY BASEBALL—Front Row:** Dave Zimmerman, Mike Drew, John Zumaya, Mike Smith, Mike Tyer. **Second Row:** Steve Bailey, Charlie Gregg, Mark Deesing, Bill O'Connor, Larry Caudillo. **Back Row:** Neil Sorenson, Sal Giacinto, Randy Houk, Tom Tittle, Tom Young, Jerry Crutcher.

**A SOLID PERFORMER,** Mike Drew, connects with a Castball to make a solid hit in the second inning of a non-league game against Hilltop on the home field.

Even though the Varsity ball club was predominantly senior, the pitching force was relatively young as far as experience on the mound was concerned. But the pitchers, seniors Mike Smith, John Zumaya, and Charles Gregg and sophomore Tom Young also gained strength as their experience increased with time.

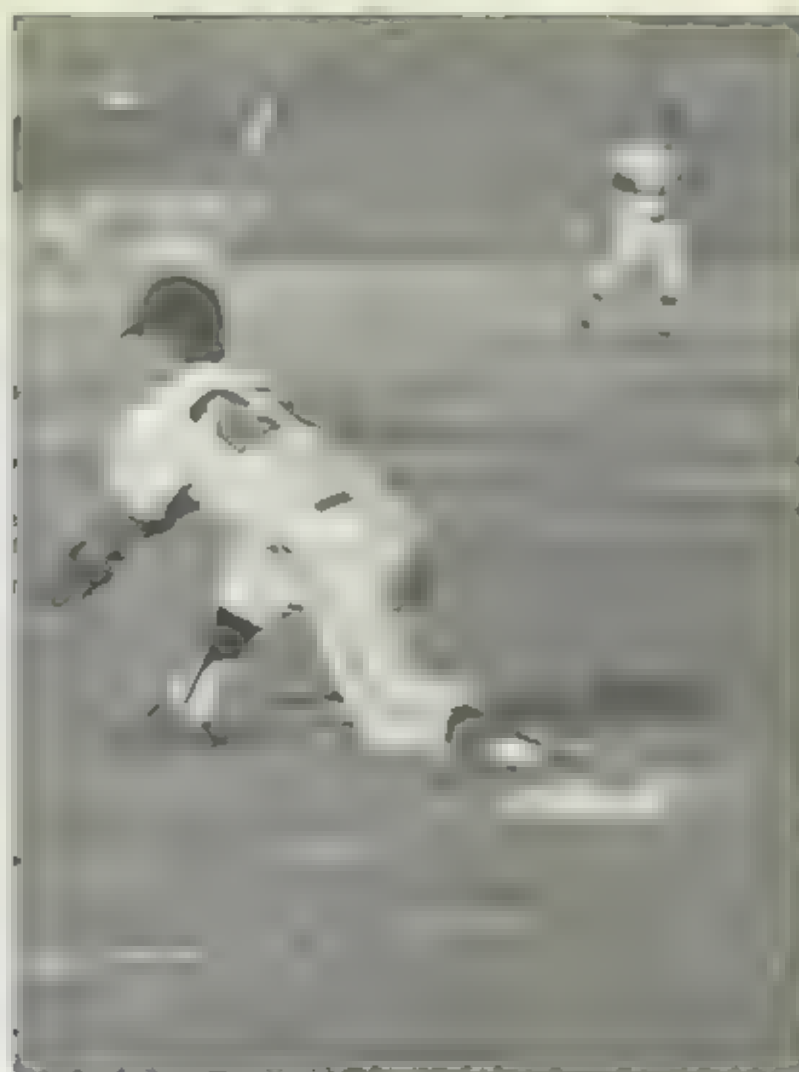

"The best all-around game was played against Sweetwater High School," reported Coach Newman. "Everyone worked together as a team and we showed our true potential."

The Matadors, participating in the 19th annual Lions High School Tournament during Easter vacation, racked up enough wins to take first place in the consolation bracket of the tourney in the Unlimited Division defeating the Clairmont Chieftains. Senior Bill O'Conner was commended for his exceptionally fine performance during tournament.

This year's JV Baseball team brought out promising talents for future teams. Because of inexperience there was slow learning in the early part of the season, but experience brought rapid improvement as the season progressed.

The team's potential was evident in the five starters—all freshmen, Ted Updike, Tim Miller, Mike Bruner, Mike Ursillo, and Phillip Reese. Coach Duane Freeman commented, "Most schools have a freshman team, but we play freshmen in our JV against higher teams." Junior Ron Tooze and Sophomore Mark Schuff were the season's top hitters. The team's pitchers were mostly juniors.

# Track Records Broken by 1969 Seniors

The Miguel track team had a tremendous season this year. According to Track and Field Coach Ted Banks, "The success of the 1969 track and field team has been helped considerably by the efforts of a fine field crew, which has been led by Steve Dougherty and Billy Jo Winchester."

Steve Dougherty well supported the coach's statement by breaking the school record in the shot-put which he established last year and by placing first in the County in both the shot-put and discus. Randy Provinzano also contributed considerably to the success of the track team this year and placed second in the County in both high and low hurdles. The school record for the mile was broken by freshman Bob Morison, which gives the coaches something to look forward to in the next three up-coming track seasons.

Miguel took part in several county-wide track meets this year, and the Matador track team placed second in both the San Diego Indoor Games and the National City J.C. Relays.

The Golf team opened its season this year with a hard blow from rival Helix in a game played at the Bonita Golf Course, Miguel's home course, on March 14. John Binkel, Miguel's number one man scored the only point for the Matadors. Shaken by their first defeat, the team played a little more cautiously, but still ended up on bottom, this time against Monte Vista by a score of 13-2 with John Binkel scoring Miguel's only points. The following match was on March 28 against El Capitan at El Cap's home course. The meet turned out pretty much the same as the previous matches against Helix and Monte Vista with El Cap winning it with a score of 12½-2½.

Despite the results of the first few matches, Miguel's golf team showed signs of improvement as the season progressed.

**GIVING A FEW POINTERS** to David Hill, Miguel's number three man, is Coach Robert Sanders, who is now in his second year as Golf Coach.

**PRACTICING ON FORM** is John Binkel, a senior Matador and number one man on this year's team. John in Miguel's first three matches scored the Matadors' only points.

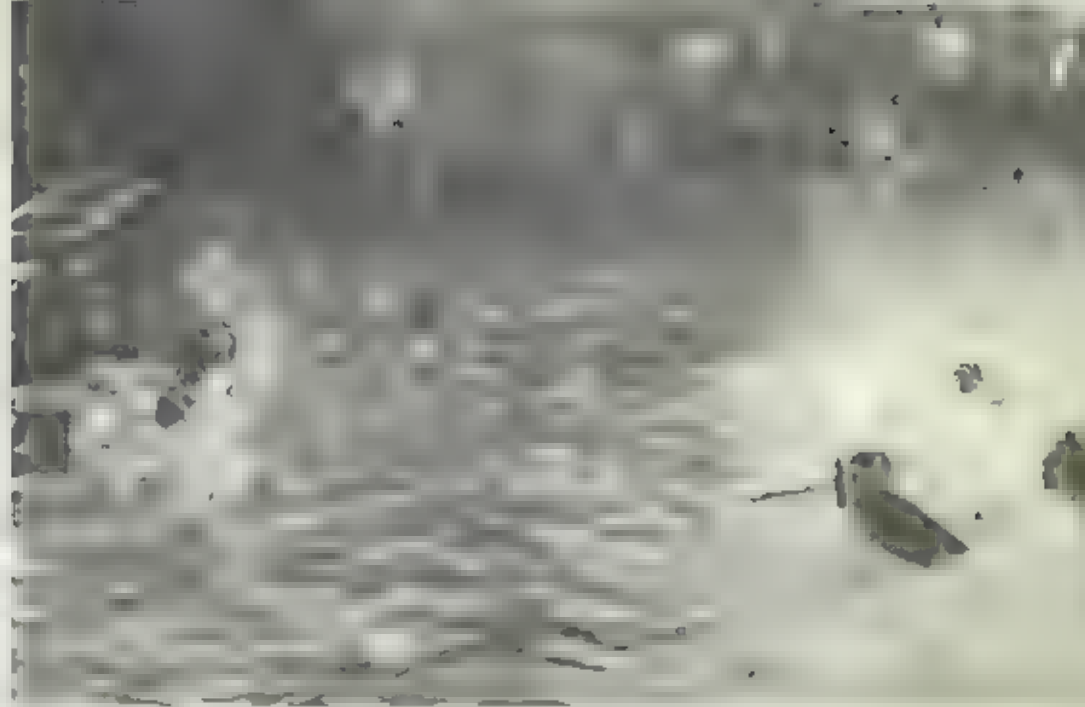

# Fish Capture Third in CIF

This was water polo's second year at Mount Miguel and it was a good one. Inspired by Coach Roger Moreau, the team captured a 4-4 league record and earned the right to participate in CIF finals.

Starting the season with an exhausting game against Hilltop, the Mats pulled out a 21-19 victory. The team came back, after two losses, scoring their biggest victory of the season over Oceanside, a 31-9 massacre. Splitting the last six meets with opponents, the Miguelites entered the CIF finals held at Coronado. The team lost the first game 6-9 in a hard-fought contest with Vista, but nipped league-rival Monte Vista 11-10 to capture third place.

Senior Rick Ingraham was the most valuable player on the team. He was the high scorer and received first team forward position in league and CIF. Don Carlson, a junior forward, was second highest scorer and received honorable mention in CIF. Don was also elected next year's team captain. Senior Ron Kraft was tapped as a second team CIF guard. Goalie Bob Ek, a sophomore, was the most improved player of the year.

Under the guidance of Roger Moreau, the Boys' Swim Team set out to conquer and consequently placed high in Grossmont League competition. During the seven years that Coach Moreau has directed Miguel aquanauts, the Matador squad took League twice and has been defeated only by the Helix and Grossmont teams.

Access to the Carman Ranch Pool has enabled Miguel to participate in this sport perennially. This year William Fusselman stepped into the job of coaching junior varsity swimming.

The team, predominantly sophomores and juniors, took Class "C" in CIF competition. Vista relays found a win for Class 'B', thus demonstrating the consistent power in all of the many phases of League competition.

## New Swim Crew Aids Splashdown Operation

A new service organization was born on campus this year: Swim Crew. The main purpose of Swim Crew is to assist the swim team by running errands, writing down scores, keeping times, and dropping the ropes for false starts. Girls' League provided the main impetus behind formation of the group.

These girls were actually part-time cheerleaders in that they were responsible for leading cheers and keeping enthusiasm at high peaks during the meets.

## Racquetmen Enjoy Excellent Season

**DURING A MATCH AGAINST EL CAJON,** first man Jon Rex unleashes one of his powerful serves to earn another point for his winning cause.

This year's Varsity Tennis squad was deemed one of the better teams in Miguel's history. Coach Buck Teater's young team of last year became a half senior, half underclassman team this year.

Senior Jon Rex led the way in singles, followed by Craig Sandling with underclassmen Gilbert Castaneda and Richard Trebbien. The team of Richard Brady and Ken Nishuiye, both seniors, led the doubles category followed by the team of Jeff Heath and Craig Wagner.

With half of the team returning next year along with the support of an excellent JV squad, the team should have another fine season next year.

## Preparing Way For Future Varsity Action

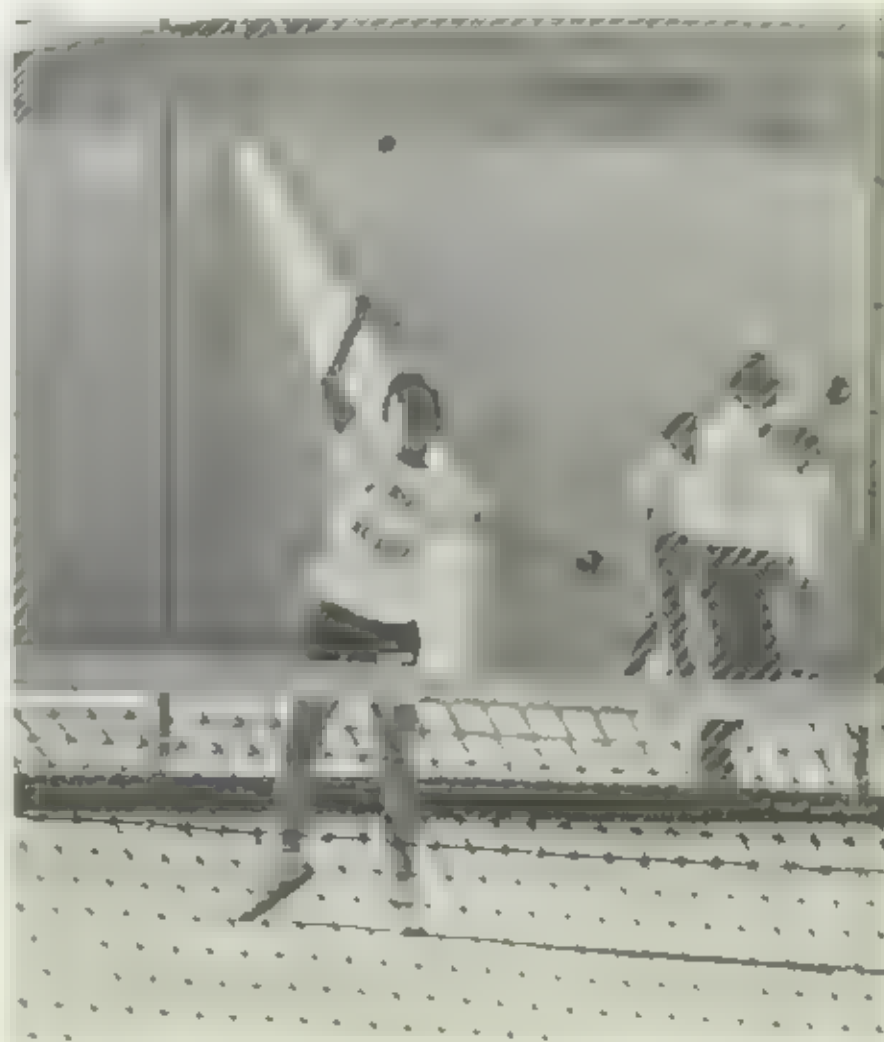

The freshman sports scene was quite impressive with many varsity and JV Coaches drooling, eager to get the crop of fine talent which Miguel was endowed with this year.

The year began with the fall sports which means football and cross-country. The frosh gridders fought hard and established themselves in second place. On the other hand, the frosh harriers, led by Captain Joe Stubbs, earned a third place in league standings.

Next the winter season came which brought the winter sports, basketball and wrestling. The frosh hoopsters had another outstanding year in compiling a 12-2 record and second place in league behind a tough Foothiller squad. Frosh grapplers earned a third place in the highly competitive Grossmont League.

Spring sports opened several doors for freshman athletes to explore. Frosh tennis attracted an astounding total of 50 young netmen. Frosh baseball started with scrimmages against the JV as the extent of action for their first year of being at this school. Track, swimming, and golf provided other chances to prove their skills.

DURING A HOME MATCH against El Cap, one member of the 50 member frosh tennis team serves an ace against his young opponent

# Grace, Ability Promoted In Girls' Sports

**COED DANCE**—Front Row: Chris Cotner, Juanita Harper, Pat Law, Irene Minick, Linda Williams. Back Row: Jane Auberger, Larry Schneider, Maureen Boggess, Lee Stewart, Cathy Crump.

To attain perfection in gymnastics, a girl must devote much of her time to practicing and improving her form in addition to preparing herself mentally for her performance. Self-discipline and good posture are essential to a good performance.

This year's Girls' Gymnastics Team had a very successful season, competing in nine meets and consistently placing first in unevens and balance beam. The team's weakest areas were vaulting and floor exercise, but through much work the group pulled through with first in these events.

Coed and Modern Dance Clubs were especially active this year. The dancers took part in the Christmas assembly and other assemblies. In March they presented "Mystic Mood," a dance expression of youth's joys and problems and exploration of their ideas.

WITH A LOOK OF DETERMINATION, freshman Sandy White sprints to the finish competing in the backstroke competition against a tough Fallbrook squad. Sandy's win helped the Matadors demolish their North County opponents.

## Female Fish Prove Power, Take 2nd in CIF

**GIRLS SWIM TEAM** —**Front Row:** Karen Saucier, Connie Simmons, Linda Perry, Peggy Moran, Karen Hall, Robin Hall. **Second Row:** Andria Mattox, Judy Moran, Lelsey Carlson, Loreli White, Candy Smith, Noel Christanson. **Third Row:** Coach Shirley Oates, Maureen O'Brien, Carol Taylor, Debbie Garcia, Judy McCullough, Marianne Perry. **Fourth Row:** Ann Koumaras, Debbie Green, Gale Solomon, Debbie Heaton, Penny Sapp, Suzie O'Brien. **Back Row:** Sandy White, Pam Swan, Kathy Obendorfer, Lisa Goodwin, Lynell Lewis

Inspired by Coach Shirley Oates, the Mount Miguel Girl's Swim Team proved itself to be one of the strongest teams in San Diego County in only their second year of existence at Mount Miguel.

The team compiled a 7-1 meet record with their only loss coming in the first meet of the year against a powerful Coronado squad, 20-48. Then the female fish got down to business winning seven straight dual meets, including a squeaker over the Grossmont Foothillers, 36-31. The team's biggest win of the season was a 62-6 triumph over Granite Hills.

The team also competed in several relays throughout the year placing fourth in the Grossmont District Relays, and second in the La Mesa Invitational Relays, and first in the Grossmont District Swimming and Diving Finals.

Starting the year off with volley tennis, Mount Miguel Girls' Team Sports Club enjoyed an active season. The Club enables interested girls to develop their skills in certain sports.

The most outstanding breakthrough for Team Sports Club was the formation of the Girls' Basketball Team coached by Jane Trude—a first for a team of this sort. Six Grossmont Union High School District schools competed in League play. Each of the six schools battled feverishly for first berth in League.

League competition for girls' sports is a growing interest; more and more girls are beginning to take part in competitive sports. As with boys' athletics, the girls' teams compete on both Varsity and Junior Varsity levels

Student Government this year expended much effort in promoting school spirit through their campus and civic activities. These activities included the collection of toys and clothing to be distributed during the Christmas holidays at the Christian Hacienda in Tijuana. Two truckloads of articles were delivered to the children by a delegation of five students.

Campus services of the group included instigation of Spirit Week and also a money drive to raise funds to get a memorial for the men who have lost their

lives while fighting in Vietnam. Spirit Week, during the week of the Helix football game, was highlighted by a pep assembly in which a skit was presented showing the "death" of Helix' school spirit.

ASB President Marsha Leatherman and Vice-president Doug Howarth, and members of the new Grossmont Inter-district Leadership Council worked with other school leaders in the GUHSD to iron-out problems concerning school spirit and rules and regulations.

# Student Council Seeks Meaningful Change

"LET ME EXPLAIN AGAIN," implores Doug Howarth at a student council meeting as they discuss ideas for a vending machine

Under the leadership of ASB Veep Doug Howarth, student council accomplished many things. As a result of the large turnout at last year's CIF basketball game and wrestling meet, a surplus seven hundred dollars was appropriated for use by the Cape and Cadence Corps. The method whereby candidates are chosen at the Nominating Convention was altered so that the two persons receiving the largest number of votes on the first ballot would vie for the office. The council limited the size and number of posters displayed around campus by placing a definite restriction on publicity.

Even though student council has fewer members than in previous years because of a change in representation due to a radical increase in the number of students, the council has maintained its role as an effective student governing organization.

Concert Choir and Girls' Ensemble worked hand in hand this year to provide music for various functions. The combined groups gave two goodwill concerts in Tecate during the Christmas season.

The Choir maintained its high quality throughout the year as was shown by their consistent "Superior" ratings received at festivals. Directed by Robert Boucher, the group presented "Christmas Wonderland," the annual Christmas program.

Girls' Ensemble was really on the move this year. The Ensemble was selected to appear at the Music Educator's Convention in Hawaii in April. While in Hawaii, they represented the state of California at a large banquet for the State.

Two performances a day was not uncommon for this group making many off-campus appearances. Their superior ability was demonstrated by the high rating received at the San Diego State Music Festival.

Student court, headed by Attorney General Jerry Segawa, prosecuted cases ranging from littering to smoking. To make their efforts effective, the court has the power of imposing a three day suspension on students found guilty of serious violations.

This year, student government and student court worked together to help the custodians with their job of keeping the quad clean. They also combined efforts with Richard McGarvey to enforce dress regulations.

Intra-Club Council, under the leadership of Commissioner of Communications Nila Repard, is composed of representatives of each recognized organization on campus. Co-operative efforts of this group result in the "Parade of Floats" at Homecoming and many booths at the Fiesta.

THE REFERRAL STATES explains Jerry Segawa one of the student court judges "that anyone found guilty of smoking in the bathrooms will be subject to suspension."

## Sports Program Proved by Adding Services

"OLE!" shouts out varsity cheerleaders Barbie, Dixie, Candy, and Kim during a home basketball game. Enthusiasm shown by the cheerleaders add spirit to the spectators and encourages the team on.

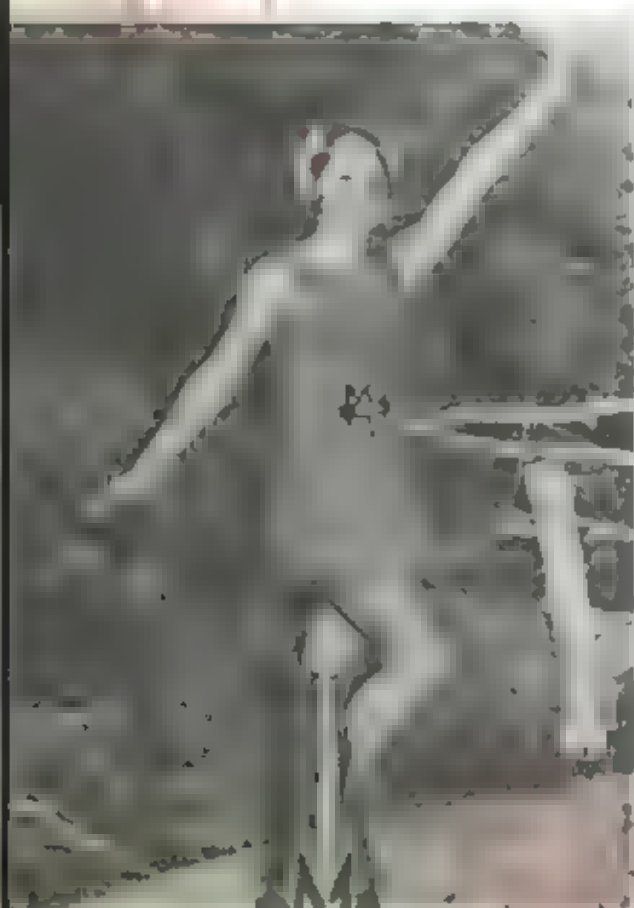

1968-69 Varsity cheerleaders were really on the ball. They were more active than any other cheer squad that has been at Mount Miguel. These pepsters lent their support to all league competitions from football to waterpolo.

The girls pepped up the student body at school functions with their new, unique cheers and yells. To raise money to buy new uniforms, the cheerleaders and the weight-lifting club joined their efforts and organized a dance.

Serving "Take Five" to the football team at every practice and refreshments to the track team at each meet, the girls showed their enthusiasm. Previously, refreshments were served only at the last game.

Much gratitude goes to these girls for the time and energy they have expended on behalf of the school. Without cheerleaders, the sports program and Miguel's assemblies would not have been the same.

The 1969 Junior Varsity cheerleaders formed a highly activated sextet while representing MM at JV sport functions. Striving for perfection in their cheer routines, the girls practiced daily after school. Three of the pepsters went to Cheer Camp at UCLA. Money was raised through bake sales with the Varsity Cheerleaders. A portion of the funds from the sales went toward the purchase of sweaters for their uniforms.

This year the Mount Miguel and Monte Vista Orchestras combined efforts, enabling both groups to offer better musical selections to the public. Special music during the year included Brahms' "Tragic Overture," Samuel Barber's "Adagio for Strings," and Mousorggsky's "Night on Bald Mountain." Five members of Miguel's orchestra—Phyllis Mazza, Carla Hollowell, Tom Higdon, Mike Curtis, and Ted Adams—were selected for the All-Southern California Honor Orchestra.

Mount Miguel's Concert Band has been one of the finest high school bands in California for many years. For eleven years the group has received superior ratings at local and regional festivals. This year's music schedule was highlighted by such numbers as "Canzona" by Peter Mennin, "Symphony in B flat" by Hindemith, and "Tulsa" by Don Gillis.

ALL TOGETHER NOW," urges Robert Boucher, director of vocal music, as he rehearses Girls' Glee during one of the morning sessions

Mount Miguel has long been proud of its Girls' Glee and Men's Glee. The consistently fine performance of the two groups explains this pride. Many festivals throughout the year exhibited their vocal talents.

April was the busiest month for the groups. Mount Miguel was the host school for the combined Grossmont District Glee Festival on April 16 under the baton of David Loomis, guest director. April 18 found the Glee groups at Southwestern College for the San Diego City-County Music Educator's Association Glee Festival. Both occasions showed the great potential of the groups.

The Glee groups performed separately at the Grossmont District Glee Festival but rejoined their efforts to present both the Christmas and Spring Concerts.

# Headaches Assure Captured Memories

"No Science Club this year?! But what am I going to do with that extra page?" Another headache! The task of meeting deadlines is a perennial hassle for the twenty-two staff members of **MIL MEMORIAS**.

A record number of advertisements were sold for this year's book to help subsidize the largest **MIL MEMORIAS** yet. Staff members succeeded in selling more ads in two weeks than were sold in the span of two months time in previous years.

Maintaining excellence year after year is a challenge for each new staff. Each year **MIL MEMORIAS** continues to receive first place ratings from the Columbia and National Scholastic Press Associations. This year's **MIL MEMORIAS** staff put in the usual number of mind-straining man hours to carry on this tradition.

# El Trov Exhibits Literary Skills

The twenty-one journalists who compose the **El Trov** newspaper staff worked diligently to meet their deadline of publishing a paper once every two weeks. Their goal this year was to publish eighteen editions. The paper itself was a four page operation expanding to six pages for specials. Staff members are responsible for every phase of production through the final paste-up.

**El Trov** participates in various journalism contests throughout the year. One of these contests is the Pow Wow which picks the best paper in San Diego County. After placing second in this contest in 1968, the staff looked forward to a first place win this year.

As a service to the school, **El Trov** published a fact sheet on the nominating convention candidates.

Members of the **El Trov** Staff worked hard this year to continue the tradition of keeping Matadors well informed.

Quill and Scroll Society has the purpose of promoting excellence in journalism. Membership requires that a junior or senior participating on one of the three publications staffs have a "B" average. The names of prospective members are sent to Quill and Scroll headquarters at the University of Iowa for acceptance.

Last year's Quill and Scroll Society gave the proceeds from their fiesta booth to the San Diego County Journalism Association to benefit other writers in the area.

June Mott, advisor of the group, has been a member of the organization since her high school days. Her past experience has helped many Miguel journalists develop their ability.

Did you say that William Blake **really** had two heads? Questions such as this were frequently asked by the members of Anne von der Mehden's Creative Writing class. Students enrolled in the class spent many months in extensive study of the proper ways to write poetry and prose. After much preparation, the group began compiling material for Mount Miguel's literary magazine, **EL CUENTITO**.

This year, with an allotment granted by the GUHSD, **EL CUENTITO** started with its best foot forward. The District grant provided for a larger magazine that published in previous years. Participation in various phases of journalistic endeavor is encouraged by the District. Creative Writing, together with Publications and Journalism, fosters development of literary creativity in students.

In an effort to continue Mount Miguel's school spirit throughout the academic year, the year's Pep Club advertised school activities to the student body. During football season, decorative paper footballs were made with each player's name and number printed on them and then they hung on the fence surrounding the football field. This helped the students to get better acquainted with the team members' names.

Also helping promote enthusiasm at Miguel is the Pep Band. The group is an important part of all pep assemblies in that they stimulate school spirit. Pep Band also played at the basketball games during the halftime activities and assisted the cheerleaders in many of their song routines.

**'NO MATTER WHAT THE JUDGES SAY**  
I think you're great," expresses Robert Sanders during a pep talk before a speech meet with Palomar.

Because of the increased high level of competition, one must have a great deal of depth within a speech team to produce a Sweepstakes winner," observes Forensic League Advisor Robert Sanders.

Forensic members proved themselves at the Brawley Practice Speech Tournament in October. The team walked away with first place Sweepstakes, triumphing over the ten competing schools in the combined Grossmont Union, Imperial County, and San Diego City High School Districts.

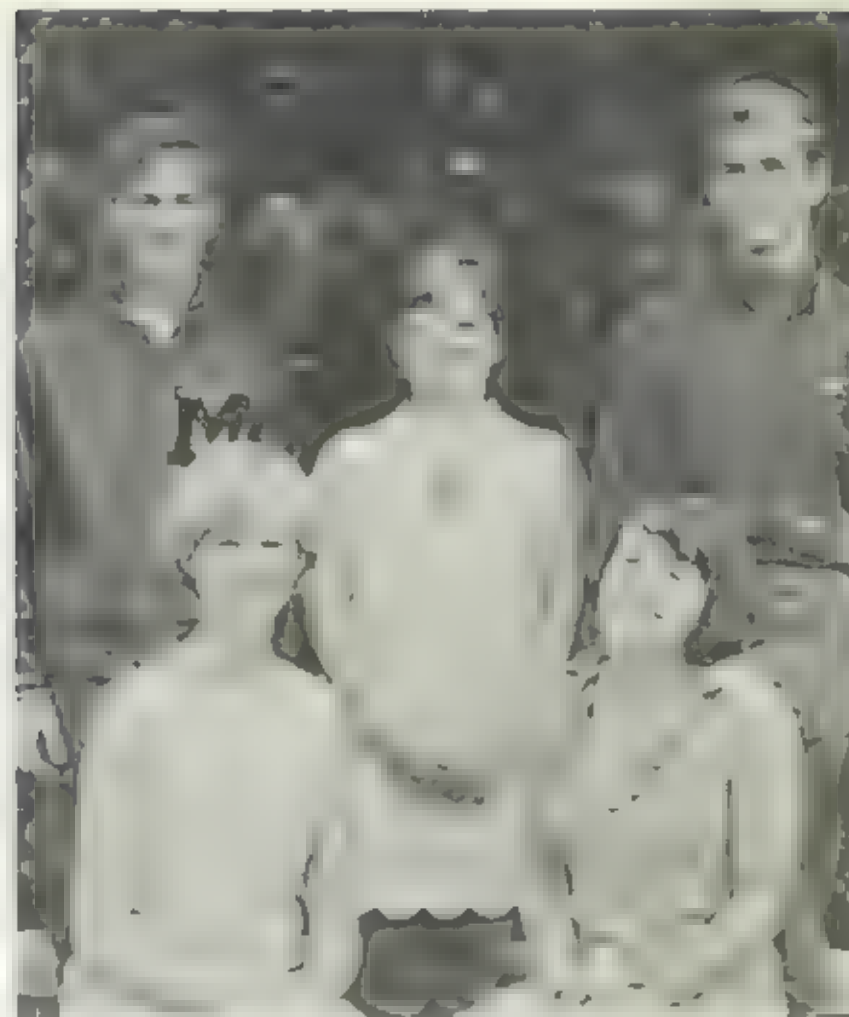

Other competitions offered further opportunity to match verbal vitality with many different schools. These contests included the Palomar Novice Tournament, El Cajon Interp Festival, and San Diego Open, to name a few.

Robert Sanders has headed the Speech Department at Miguel since the school began twelve years ago. Under his guidance, Miguel speech teams have had a total of over 68 state finalists and ten national finalists.

MICHI ONA, one of the foreign exchange students from Japan, works diligently on her art project in Mr. Kiegle's Honor's Art class.

AFS finalists from Mt. Miguel are Sandra Sjogren, Cheryl Mosteller, (seated), Gary Heiserman, Wendy Panter, Marc Richard (standing).

## International Club

In trying to reach its goal of greater worldwide understanding, International Club sponsored many different activities throughout the year. The major purpose of these activities was to raise funds toward bringing exchange students connected with the American Field Service program to Mt. Miguel's campus next year. One of the major campaigns 'I' Club undertook for this purpose was Nickel-a-Month. 'I' Club also joined the 'I' Club adult chapter in a rummage sale and the Nickel-a-Month campaigns.

As one of the largest clubs on campus, 'I' Club furthered its members' knowledge of foreign countries through its meetings where presentations on various different countries were given. A few of these presentations, ranging from programs on Africa to Alaska, were given by various teachers on campus. A representative from the Peace Corps also gave an interesting and informative talk.

'I' Club served as a host for five foreign exchange students this year. Michiko Ono and Nacho Lira were sponsored by the

## Advances Global Unity, Understanding

American Field Service program and Rolf Olsen, Rita Bade, and Kazumi Oka were sponsored by the Youth For Understanding program.

There were several Matadors who wished to become ASF exchange students abroad next year. Out of the group of students who applied there were five finalists from Mt. Miguel: Sandra Sjogren, Cheryl Mosteller, Gary Heiserman, Wendy Panter, and Marc Richard.

'I' Club was one of the gayest clubs on campus this year. A few of the events it held this year were a harbor excursion, participation in the annual Christmas Party, and a good-bye party at the beach.

'I' Club was a friend to this year's exchange students, raised money toward bringing AFS students to Mt. Miguel's campus next year, and had exciting activities. This year's 'I' Club made substantial gains toward reaching its goal of better global understanding.

Groups such as the German Club and the Bowling Club are growing in popularity and they also have good purpose. Students who have hobbies can usually find a school club that relates to their interests.

Those students in Die Drachen who strive for better understanding of the German language and culture could help the future relations of the world. German Club has proved that their activities do much to develop empathy, and the means of achieving understanding can be fun.

Guest speakers highlight many of the meetings. The club has also enjoyed a trip to the Rhinelander Restaurant. Slides comparing East and West Germany are shown.

The Bowling Club is for students who either excel in this sport or who want to further develop their talents. Under the direction of William Bradley, the bowlers' skills are showing constant improvement. Members practice individually and then show their skill in tournaments.

## Students Intensify Interests In Clubs

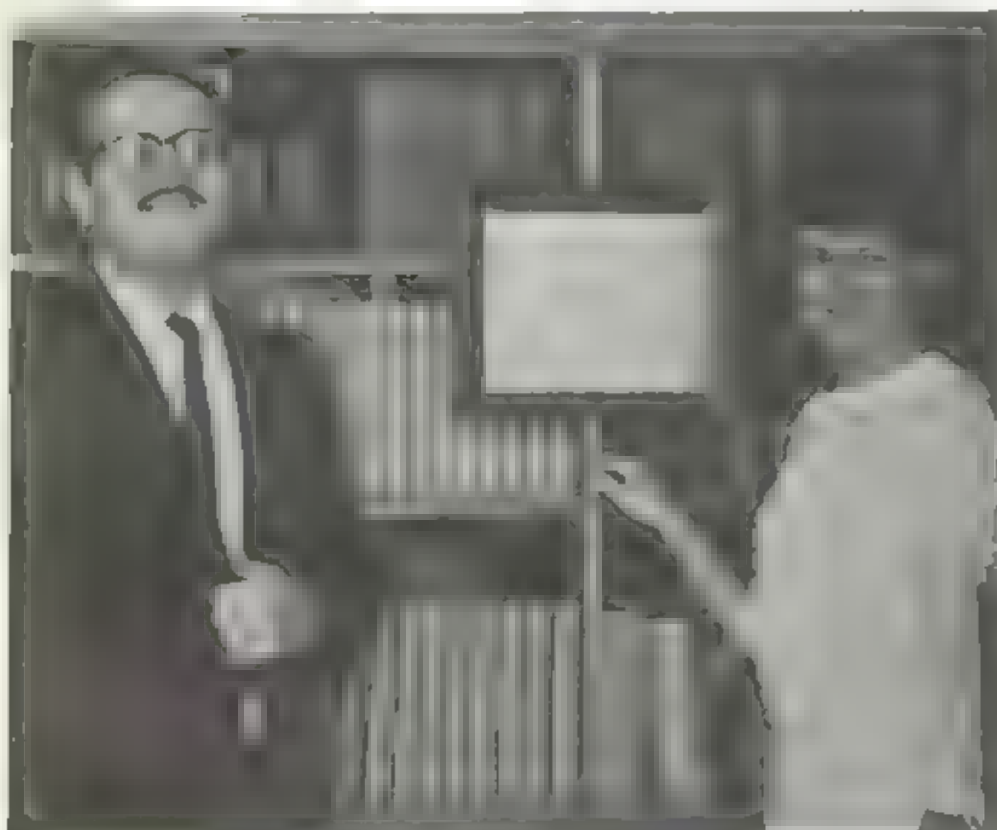

**CHAOS BETWEEN MATCHES** is not an unusual scene at Lomita Bowl. Active members in the Bowling Club can be found tallying scores and comparing results.

# Matadors Attain Scholastic CSF Honors

PROUDLY DISPLAYING Mt. Miguel's membership plaque of the CSF organization are George Albert and Claire Tremaine, this year's CSF advisors

CSF is an organization which contains some of the most spirited and ambitious students on Mt. Miguel's campus. Members of the California Scholarship Federation have gained admittance into this honor society by earning at least three A's and one B a semester in solid subjects. CSF life membership may be obtained by qualifying for four semesters, one of which must be in the senior year. Once a student has obtained life membership, an official seal is affixed to his diploma, transcript, and any college admissions papers.

CSF at Miguel serves all students by offering tutoring in every subject. CSF provides this valuable school service while acknowledging those students outstanding in academic fields.

New to Miguel's campus this year is the ROTC program. This program, sponsored by the US Army and instructed by Colonel Don Grey, is designed to prepare students for service in the Armed Forces after graduation.

Many activities were scheduled for the ROTC Cadets during the school year. Among these were a sea cruise aboard the USS Paul Revere to observe military drills, a trip to Camp Elliott to try out the latest fire arms, and a weekend stay at Camp Pendleton. The year culminated in the Military Ball at the Masonic Temple to honor the young men who participated in the ROTC program.

Customized physical conditioning finished its second year at Miguel. Under Ben Cipranic's supervision, President Neil Sandor, Vice-President Don Jackson, and Treasurer Jack Willoby help the club members work-out with the apparatus that is most beneficial for them.

At the present time, Miguel has a U-Gym, a device that combines several different weights and presses. With the money collected from dues and dances, the Club made plans to purchase an Andy Douglas and an Olympic set. President Neil Sandor designed another weight lifting machine that the Club is considering investing in.

# League Finds Satisfaction of Service

The service that the Girls' League has given to Mount Miguel is outstanding. League activities begin before school starts by assigning "big sisters" who help freshman girls in the first confusing weeks of school.

The annual "Clean-Up-the-Campus Drive" finds some of the laziest students working hard. Litter is banned from the halls and the sidewalks sparkle.

A first for this year was the beginning of an annual potluck dinner for all Girls' Leagues in the Grossmont District. Mt. Miguel was the host school with Marian Dixon presiding. Ideas and past experiences were exchanged to give each school a more active and efficient League.

Girls' League donated the profits of one of their big dances to charity. In this and other ways Girls' League has proved that today's teenagers have not forgotten the art of serving others as well as themselves.

**GIRLS' LEAGUE OFFICERS**—Front Row: Vice-President Lynn Hammerschmidt, Treasurer Joan Lochhead. Back Row: President Marian Dixon, Secretary Buzzie Minor.

Third Row: Debbie Baldwin, Irene Milnick, Barbara Burke, Gerry May, Kay Dickey, Eileen Nichols. Not Shown: Jan Hall, Nila Repard.

This year's Hurdle Crew began in January when about 65 girls took out petitions from the Girls' League to be in the group. Those girls who returned the petitions were then interviewed by the Girls' League officers. And to complete the elimination process, the girls had to write a one-paragraph essay on why they wanted to join the Hurdle Crew.

The Hurdle Crew's duties are to move the hurdles, hold the measuring tapes, and to be a fringe benefit to the hard working boys who are refreshed by the girls' encouragement.

The Benchwarmers started out the year at the Football Carnival by passing out red and black signs to the avid Mt. Miguel fans to wave in the faces of the opponents. They warmed up the cold benches for the football team so as to prevent many colds for the boys who had to keep healthy to win the football games.

## Key Club Mixes Work, Pleasure

Balancing a year of work with an honest share of pleasure, Mount Miguel's International Key Club, sponsored by the Kiwanis, backed many worthwhile school and civic activities.

During the Christmas season, Key Club decorated the halls with wreaths and posters communicating their holiday greetings to the student body. One of the more laborious chores undertaken by the group was that of cleaning up the field after football games.

With the Kiwanis Club, Key Club organized the "Kid's Day Parade" in Lemon Grove during the month of October. Another project was the adoption of an orphan overseas. The group sent payments to the orphanage to feed, clothe, and educate the youngster. Key Club also sponsored their perennial egg toss at the Fiesta.

HERBIE LOWE, Rick Church, Chris White and Advisor Max Keytes take into consideration the helpful suggestions being given by Key Club members at a weekly meeting.

**KEY CLUB OFFICERS:** Front Row: President Herb Lowe, Treasurer Luis Rosas. Back Row: Vice President Rick Church, Secretary Allan Clark.

AN INTESE silence occurs after Jan Bradbury, as Martha Webster tells her mechanic husband played by Jim Hansen, that he is worthless

## Dead Soldiers Oppose War In Shaw's Play

Photos by Pete Smith

THE PRIEST Dave Mills mumbles some religious psalms over the dead soldiers as the burial detail represented by Ron Grooms and Chuck Bray stand by in tolerant silence

Matadors displayed another of their many talents when, under the direction of John Adams, they performed Irwin Shaw's **Bury the Dead** in November

The play concerns troubled people in troubled times. Shaw harshly tells his story and without reservation he dramatizes what he sees as a ridiculous world striving for an impossible equilibrium. Marc Richard, Dave Kastner, Ed Stone, and Jim Hansen play four young men cheated of living a mortal life during a war and who simply refuse to be buried

The players by performing Shaw's **Bury the Dead** stated the common opinion among the young that man in the state of war is ridiculous and man will continue to be ridiculous as long as he feels the urge to kill and bury the human spirit

# Talent Exhibited in "GoodBye My Fancy"

PROFESSOR DINGLEY (Ross Houtz) practices dragging his drunk but secretly loved fellow professor, Miss Birdeshaw (Julie Tonner) from Miss Wood's (Alma Smith) room

MATT COLE (Ron Groomes) steps proudly as Miss Skakelford (Rula Murillo) expressed her deep gratitude to him for doing his photography job well.

Miguel Matadors proved their dramatic abilities once again by performing the Senior Class Play **Goodbye My Fancy**. The play concerns a liberal congresswoman, played by Janice Bradbury, who upon returning to her old school for an honorary degree exposes the president, played by Marc Richard, as a spineless figure instead of the outspoken professor with whom Miss Reed has been in love for twenty years. The disenchantment drives her into the arms of a wartime acquaintance, played by Ron Groomes, who, as a Life photographer, has come to cover the event.

Due to the great amount of talent that tried out for parts, Mr. Adams, the director, double cast several parts in order to involve more people in the play. Both groups of players did outstanding jobs and Miguel's production of **Goodbye My Fancy** was an excellent show.

DIRECTOR JOHN ADAMS points out the correct way for Pam Adams and Karen Davis double cast as Ginny to move on stage as Janice Bradbury looks on.

## "I Wander Through the Silent Night"

*"The attitudes, the will, the intent, the enlightenment, the gifts with which we approach each new day, with its challenges and its opportunities, determine what we will receive and enjoy from it . . . whether richness of spirit, or not*

*"Our manner of saluting each new dawn  
— each new threshold, each new gateway  
— decrees in a large sense what we will  
bring to the day and what happiness enjoy  
from it*

*—Harry and Joan Mier*

## ank-You Thank-You Thank-You Th

There are many people who are responsible for bringing Volume XII of MIL MEMORIAS to life. "A Day in the Life" was brought into existence under the supervision of Advisor Lowell H. Plinke. The Nineteen Hundred and Sixty-Nine staff put over four thousand man hours of work into this year's production, including many all-nighters. Each member pulled his own share of the load. I would like to thank Sherry Eberwein, Sue Earhart, Esther O'Donald, Jan Hall, Maureen Boggs, Jeanette Mitchell, Wendy Simpson, Lisa Gale, Sally Tomlinson, Sandra Leet, Doug Ailshie, Robert Farthing, Carol Bowers, and Laura Wilkinson of the Editorial staff. Handling and taking the pictures necessary for a good yearbook were Ken Gale, Richard Block, Joe McCormack, and Chris Davis. This year's business staff included Mary Kornegay, Martha Barrett, Patti Gentile, and typist Marlys Prodzinski. I would like to thank Chris Rodrigues for her winning cover design; also Roy Spurlock who let us in the room for those evening work parties. I want to thank my family for bearing with me this year. My thanks go to Pischel Yearbook Company and Don Demmon, Pischel representative; thanks to Florence Arts Studio for providing photographic assistance again this year.

Thank you,

*Wally Schlotter*

I have been thinking  
 of you very much lately  
 and wondering how you  
 are getting on. I hope  
 you are well and happy.  
 I am well at present.
